Notes: Due to the realignment of various lines, of the tracks of the B & O R.R., P.R.R., L.E. & W.R.R. and the Briar Hill Steel Co. the lines dividing the right of way of these companies became indefinite and the deed of each was made in order to settle controversies and to define the right of way lines. All the lands owned by the parties were considered as one block in common from which sufficient right of way was assigned to each party
